

Parent education starts here.....

A new resource for carers and educators of young children, developed by Australian Speech Pathologists, Psychologists and Occupational Therapists.

Five beautifully presented laminated posters for display in your centre, helping parents and educators share a common understanding for 5 key developmental areas:

- Early Motor Development*
- Self Care Development*
- Thinking & Reasoning Development*
- Language Development*
- Speech Development*

"A great starting point for discussion with our parents" (Lina, Preschool Teacher, SA)

"We've loved having a reference point for monitoring progress" (Diane, Director, SA)
